CALL FOR PAPERS

of the international scientific and
practical conference

**«Psychological and pedagogical
support of a child in preschool
education: integration of theory and
practice»
(in the format of an Internet
conference)**

November, 25th, 2021

Minsk

Dear colleagues!

Requirements for materials

We invite you to take part in the international scientific and practical conference "Psychological and pedagogical support of a child in preschool education: integration of theory and practice".

Conference themes:

1. Psychological and pedagogical support of the versatile development and upbringing of children of early and preschool age in a preschool education institution.
2. Psychological and pedagogical support of a child in a digital environment.
3. Psychological and pedagogical support of fostering tolerance in preschool children in a multicultural educational environment.
4. Psychological and pedagogical support of a child with special educational needs in a preschool institution and in a family environment.
5. Psychological and pedagogical support of a family with children of early and preschool age in the modern socio-cultural space.
6. Preparation of teaching staff for the implementation of psychological and pedagogical support of preschool education learners.

Volume – 4 full pages of a computer set in MS Word; Times New Roman font, 12 pt, line spacing - 1.5, width alignment, paragraph indentation - 10 mm, margins - all 20 mm.

Abstract, keywords and list of sources used are in 10 pt.

The UDC is placed on the left corner. The title of the article is centered. The line below on the right name and surname of the author(s) are placed. Next line is the educational institution, city, country.

Next line is the abstract (no more than 400 printed characters). Keywords and phrases are no more than 5, separated by semicolons.

After the text references are provided.

Graphs, figures, diagrams, tables and formulas are inserted into the text as an embedded object in black and white. Figures and tables have headings.

References are made in the text in square brackets, the first digit is the number of the list of references, the following are page numbers: [1, p. 3-5]. The list of references is issued in accordance with the requirements of the Higher Attestation Commission of the Republic of Belarus.
